611 Walker
David Collins
713-569-4493

Construction / Entire Project Cost

\$8,500,000.00

Firm's Responsibility

ECMS provided Construction Management and Inspection Services of two mile 16" and 24" stormwater piping improvements, man ways, storm water inlets, along with new concrete pavements, curbs and gutters. ECMS duties entailed quality assurances, community relations, contractor disputes, pay items and day-to-day worksite responsibilities including management inspection, progress monitoring and record keeping.
